

BODY SECTION

In this section are listed all parts used on **standard** model cars.

Parts used on Right Hand Drive cars and Special Vehicles, such as Taxicabs, Hearses, Ambulances, etc., that **are** the same as those used on standard models are listed in **this** section.

Parts used on Special Vehicles that have the same function as parts used on standard vehicles but have different part numbers, are listed in the Special Vehicle Section. These references to the Special Vehicle Section are indicated by a solid triangle (▲) preceding the code number.

Parts that are used only on Right Hand Drive or Special Vehicles are listed only in the Special Vehicle Section.
